Nude Yoga classes are also held each month in Canoga Park and weekly in Altadena (see separate schedule).

WHO MAY COME TO SCNA PARTIES AND ACTIVITIES

- Non-members** may be invited to the party only (1) by SCNA members, who are responsible for the actions of their guests, or (2) by someone who is a card-carrying member of either AANR or The Nativist Society. Because we provide a safe, family-friendly environment at our activities, **SCNA reserves the right to screen** any or all non-member guests through the Megan's Law national database before the event. **Payments** by credit card thru Pay Pal, cash or check are accepted up to 5 days before the event, after that we only accept credit cards through **PayPal**. Party cancellations are also accepted no later than **48 hours** before the start of the event because that is when we buy the party supplies and food. No refunds are given after that deadline. Thank you for understanding.

Member & Guest Behavior at SCNA Events

It is an objective of SCNA to create a safe & friendly environment where members and their guests can enjoy each other's company based on mutual respect. Consideration for others, common sense and a few simple guidelines will help everyone create and sustain the special atmosphere that characterizes our gatherings.

The open, relaxed and inclusive nature of our gatherings is only possible because of the dedication of every member of SCNA to preserve it. We all have an obligation to watch out for one another and to assure everyone's safety and comfort.

1. Members are responsible for the **behavior of their guests**. If you invite someone to a SCNA function, please make certain that whomever you bring knows and agrees with our guidelines.
2. **Parents** are responsible for the behavior of their children at SCNA events.
3. With regard to both guests and children, members are expected to be present with those they invite.
4. Simple courtesies mean a lot. It is a universal practice of naturists to always **use a towel** to sit on when nude, whether it be at a private residence or a commercial facility.
5. **Noise making devices** of infinite variety abound in our culture. Enumerating them all would be impossible. They range from cell phones to pagers to boom boxes to electronic games which emit squeaks. Please leave them at home or silence them.
6. **Smoking** rules will depend upon the facility. Smoking is generally not permitted indoors and may not be permitted outdoors either depending on the wishes of the host. If smoking is permitted please be considerate with your second hand smoke.
7. The presence of **cameras** is unsettling to those who because of their profession or other reason do not wish to have their photograph taken. At most events cameras are inappropriate unless photography is permitted at a specific event or in a specific area. Since most digital devices such as cell phones and computer tablets now have cameras, we ask that members and guests limit their use at SCNA events. If they desire or need to use them, we require that the **camera lens be obscured with a sticker** provided upon check-in at each event. When photographs are permitted they must have explicit permission from everyone who is visible in the picture. In an effort to safeguard everyone, young and old, photographs of **children** are not permitted to be taken at any SCNA events. All persons attending their first SCNA event will be asked to sign a **photo release** in case their image is photographed at the event. (You can say "no"!)
8. Please respect the personal space of all individuals. It is everyone's right to be free of unwanted attention. **"No" means no!** If you ever encounter someone who does not respect your wishes, talk to the person(s) in charge immediately.
9. Our gatherings are distinguished from those of some other naturist groups by our openness towards natural expressions of **affection**. Where events are held at facilities that permit it, you will find a wide range of wholesome sensual expression from hand holding to hugging and massage. In consideration of the sensitivities of others, open sexual activity is not appropriate.
10. Please do not bring **firearms, illegal drugs or pets!**
11. Oh, by the way, clothing is **optional**; nudity is never "required." It is **inappropriate to comment** on anyone's choice of being dressed or not.
