### **GLEN EDEN SUN CLUB, CORONA, CA:**

From the central LA/Orange County area, take Interstate 10 east to Interstate 15, or  
From Orange County, take the 91 freeway north-east to Interstate 15 in Corona, or  
From the San Fernando Valley, the easiest way is to take the 118 freeway to the 210 freeway and drive east through Pasadena and then on to Interstate 15, about 40 minutes farther east.

However you get to Interstate 15, turn south (toward Lake Elsinore/Temecula/San Diego). Go south approximately 10 miles, exit at Indian Truck Trail.

Turn right at the off ramp, and immediately turn left at the stop light about 50 yards down the road. You are now driving parallel to the freeway headed south.

About 1/2 mile south is the sign for the Glen Eden Sun Club entrance. Turn right into the club. The road will fork 100 yards down the road, take the RIGHT fork.

Park in the spaces in front of the gate on the right side of the office, and walk in to register at the office.

From the San Diego area take Interstate 15 north just past Lake Elsinore. Exit at Indian Truck Trail. Turn left from the offramp, drive over the freeway bridge, and follow the rest of the directions above.
